

Directions:

From US 27, enter at the main entrance. Go around the traffic circle and exit with the Bank of Kentucky Arena on the left and the parking garage on the right. Take a hard right at the end of the road.

Unless you are an NKU student, faculty or staff, you must park in one of the University parking garages. The closest is the University Drive Parking Garage. After you take the hard right, go under the garage and enter on the right.

BEP is opposite the University Drive Parking Garage. Go to the second floor.
