GRADUATE STUDENT
CHANGE OF AREA OF CONCENTRATION
and
CATALOG APPLICABILITY FORM

This form is to be used only when changing area of concentration within the same degree where admission requirements are the same. A change in area of concentration automatically changes your catalog of record to the one in effect when the change is made. Change of degree requires a new application.

Catalog Policies

- You can request to use as your catalog of record one that is dated subsequent to but not previous to your current catalog.
- If you decide to change your catalog of record, you will be bound by all university-wide and program/major specific requirements in the catalog in effect at the time this change is approved.
- A change of area of concentration must be approved by the degree program director.

We strongly suggest you look at all university and degree/program requirements in the requested new catalog of record before you submit this form.

SSN _____ Name _____

Current Degree _____

Current Area of Concentration _____

Area of Concentration Change Requested _____

☐ Changing Catalog of Record only ☐ Changing Area of Concentration

_____ Year of current catalog of record (spring and summer admissions are considered part of the previous fall's catalog, i.e., the 2002-2003 catalog is for fall 2002 and spring/summer of 2003).

_____ Year of new catalog of record.

I understand the implications of a change in catalog and area of concentration and agree to adhere to the policies and requirements of the newly declared catalog.
